Charlie Clyde

Guildford, United Kingdom | charlieclyde26@gmail.com | charlesclyde.com | +447496992055

PROFILE

Dependable and quick to learn, with customer-facing experience in catering and events and in running an independent online business. Used to working in a team under time pressure, dealing with customers directly and keeping service to standard. Confident with technology, from building apps and websites to running online marketing. Highly proficient with AI agentic automation and full stack coding. Seeking temporary, seasonal and entry-level roles.

KEY SKILLS

Customer service: Serving guests at private and commercial events; handling all customer service for an online business.
Teamwork: Coordinating with a catering team on site to keep service on time and to standard.
Communication: Leading society sessions as founder and president; teaching maths to Year 5 pupils.
Organisation and initiative: Running a business end to end; founding a school society; event set-up and close-down.
Sales and marketing: Online campaigns on Google and Meta; sourcing directly from suppliers.
Digital and IT: TypeScript, JavaScript, HTML and CSS, React Native, Expo, Supabase.
AI Applications: Anthropic Claude Code, Google Cloud Agentic.
UK Full Driving License

EXPERIENCE

Tandem Catering — Catering and Event Operations | Surrey 2025 – present

- Serve guests at private and commercial events, working from set-up through service to close-down.
- Coordinate on site with the team to keep service on time and to standard.

Latch — Founder and Developer | Independent (in development) 2026 - present

A student events platform for discovering and managing university societies, social events and parties.

- Building the app in TypeScript with React Native, Expo and Supabase for iOS and Android.
- Integrating Stripe payments, user verification, authentication and real-time data, with a focus on secure handling of user information.
- Using Claude Code throughout development for AI-assisted coding and workflow automation.

Legends Advocates — Administrative and Executive Support | Surrey 2025 – present

- Assisted with business registration and initial company setup.
- Handled branding and digital operations, providing technical support during incorporation.

On-Demand Clothing Imports — Sole Trader | Independent 2024 – 2025

- Ran a small online clothing business end to end, from sourcing to fulfilment.
- Handled all customer service directly as sole operator.
- Sourced directly from suppliers in China and coordinated delivery.
- Planned and ran marketing campaigns on Google and Meta.

EDUCATION

Royal Grammar School, Guildford 2021 – 2026

- A levels (2026): Economics (A), Geography (A), Mathematics (C).
- GCSEs (2024): 11 subjects, nine at grades 9–8 (A*) and two at grade 7 (A).
- Honorary Academic Scholar.
- School Prefect.

LEADERSHIP AND COMMUNITY

Finance Society, RGS Guildford — Founder and President

- Founded the school's Finance Society as a forum for students interested in markets, economics and business.
- Organised and led sessions for members throughout the year.

Primary Maths Project — Volunteer | Busbridge and Holy Trinity schools

- Delivered maths lessons to Year 5 pupils, teaching problem-solving and explaining concepts clearly.

Guildford Action — Volunteer | Guildford

- Helped organise and run a local charitable event.
